KIWANIANS HOST

(Continued from first page)

Kiwanian Laughlin presented Coach Art Ditt to the club who discussed the 1948 Ripper football team and schedule. Coach Ditt pointed out that he had only five lettermen returning at the beginning of the football season, and that the team got off to a rather slow beginning, scoring only 20 points during the first four games of the season. But from that point on, his Rippers stepped out, made headlines, and turned out to be the highest scoring team in the Western North Carolina Athletic Conference, of which Marion is a member.

Coach Ditt pointed out that other things besides winning games were of great importance in dealing with young people on the athletic field. He stated that sportsmanship, the ability to take as well as give, and the development of basic character were essential and should evolve from athletic contests. He stressed the importance of good sportsmanship and fair play and commended his squad for the excellent showing that was made during the past season.

Following Coach Ditt's discussion of athletics, Elledge expressed appreciation to the club for the meal and entertainment. Following the remarks made by Elledge, Bill Stanley, a member of the 1948 Ripper squad, presented to Coach Ditt a trophy purchased and presented by the squad in expression of appreciation for the guidance given by Coach Ditt during the past season.
 James B. Laughlin announced that the Board of Directors would meet at his home at seven o'clock Friday evening.

Plows and road machinery have been used in putting the new soil into position preparatory to the incoming baseball season. A number of repairs are also being made to the grandstand and the bleacher seats. The rest rooms have been put into excellent condition and a new concession stand is being constructed.

It is the purpose of the management of the Marion Marauders to provide the best possible facilities for the convenience and enjoyment of the local baseball fans.
