## Marion High Drops Baseball And Adds Track, Intra-Murals

Marion high school will not have a baseball team this year, it has been officially announced. It is regrettable, stated Coach Ditt, but the high cost of sponsoring a team was too much for this year. Last year the Rippers finished second in the league and had one of the best high school teams in Western North Carolina, but very few people took the opportunity to come out and see them, it was pointed out. In view of this fact, it was better to have Intra-mural softball for boys and girls along with starting track, which is something new to the Marion boys.

Much enthusiasm is being shown in their new venture-track. The boys have been working hard for their meets with Morganton and N. C. S. D. Boys' showing promise are Gilbert Packett in the Discus 440 and 220 yard runs, while Carl Warlick heads the dash men. In the jumping Bill Stanley, M. Robinson and Robert Finley led the parade. The hurdles are being well cared for by Robert Finley and Wilburn Hammett and Dennis Ayers.

Plans are under way for a triangular meet with Morganton, N. C. S. D. and Marion. To the first three places medals will be awarded each school carrying its share of expenses.

Records will be kept and it is hoped this meet will be an annual event.

He was also charged with breaking into the residence of G. S. Watkins and carrying off two suits of clothes and other wearing apparel, which was later recovered.

The Norris car was recovered in Newton. After charges were preferred against Bikerstaff he was returned to the prison camp at Brevard.
