

When Your Back Hurts -

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

Owls Defeat Marion By Score of 13-11

In a game that surged with disappointment for local baseball fans the Marion Marauders went down in defeat at the hands of the Rutherford County Owls by a score of 13 to 11 in a two-inning affair last Thursday night. It looked like another Marion victory until the ninth when the Owls were able to drive in three runs to knot the score.

Big Bill Burselon, a local left handed rookie, tossing the professional game of baseball of his life, allowed twelve hits; however, he kept them well scattered until the eighth. In this frame the Owls bunched four hits to bring in three runs to bring the score—Marion 10, Owls 7. The first two men to face Burselon in the fateful ninth doubled to edge the score one point nearer a tie. At this point Skipper Lanning sent in McKee to relieve the tiring southpaw.

Dixon, lanky outfielder, was the first man to face McKee, but he promptly connected with the first pitched ball for a home run and an extra RBI to deadlock the score at 10 all. Visiting supporters of the Rutherford County outfit rocked the stand as the inning was closed with the Marauders being unable to produce in their half.

As the big tenth came up the Owls continued their hitting ways. The first man up was out on a fly to center field. The next man walked while the third man at bat singled. Dean Padgett, a Marion boy with a Chicago Cub contract and farmed to the R. C. Owls, came to the plate with one away and two mates abroad, he cocked his hat, picked out a fast one and slugged a homer to put the game on ice for the visitors.

Johnny Lanning's boys made a desperate effort to regain the lead in their half of the extra inning, but without success. It is tough to lose a game after leading all the way until the final time at bat.

The line score:
Owls — 002 010 133 3-13 16 4
Marion — 400 023 100 1-11 13 0

Batteries: Owls—Carlson, Kelly (7) Gaddy (8) to Enloe; Marion—Burselon, McKee (9) to Bonetti. Winning pitcher, Gaddy; losing pitcher, McKee; doubles, Owls—Reo, Dixon (2), Cowan, Stanly and Padgett; Marion—Aragon, Brooks, Bonnetti, Beam, Moore, Yow, Shroat and Triplett. Triples, Yow; home runs, Dixon, Padgett; umpires, Camp and Hall.

VACATIONS

Indications are that some 60,000,000 Americans are planning vacations this year. National park areas expect more than 25,000,000 visitors in 1949. The interior Department estimates that this year \$12,000,000,000 will be spent directly and indirectly on vacations in the United States alone, with the cost of transportation, \$2,364,000,000 taking the largest share of the total.

LOUISA'S LETTER

Dear Girls:

The art of getting along with people is an invaluable one. I sometimes think it would not be a bad idea for schools to teach sociability and courtesy to their pupils along with the reading and writing and 'rithmetic.

We all know capable men and women who are honest and dependable, but who never seem to get the breaks when it comes to promotion. There are others who, while lacking in these virtues, seem to go swimmingly along until they reach the top.

In almost every case you will find that this latter class are men and women whom people like personally. They are cordial and friendly but their best trait is in keeping off other folks' toes.

They positively do not belong to the class who pride themselves on being frank and telling others exactly what they think. And we cannot call

them hypocrites. They are, however, great believers in tact. If they fail to agree with their companions on some questions, rather than have a row they discuss other subjects instead. They have never asked their friends why they buy such unbecoming clothes, or infer that they are spending too much money on their new house or cars. They realize that such things are not their affairs and politely let them alone.

After all tact is really only a form of courtesies. If we teach our children to be kind, to never offend other people unless it be a question of morals or character, we need not worry about their getting on with other folks.

Yours,
LOUISA.
