Newton-Conover Win Over Marion 6 To 3

The losing jinx still hounded the Marion Marauders Tuesday night as the locals lost a three to six game to the Newton-Conover Twins on the high school diamond to make it seven defeats in a row.

Skipper Johnnie starting his second game of the year for Marion hurled six innings and gave up seven bingles which accounted for five runs. Higgins Duncan came in to complete the game and allowed one run off one hit. Of the nine men facing him he set five of them down via the strike-out route. Bill Harris, for the Twins, was able to last the entire game although he yielded ten hits.

Hitting honors went to Marion ten to eight, but the visiting Twins were able to bunch their bingles in the second and fifth innings to account for a total of five runs. Individual batting honors went to Ezio Bonnetti for Marion who had three for four. The same record was claimed for Newton-Conover by Harvey Isenhour.

Batteries: For Marion, Lanning, Duncan (7) to Bonnetti; for Newton-Conover, Harris to Yount.

Doubles: Stafford, Yount, Walczak, Brooks, Beam, Triplett; Triples; Isenhour and Yow. Umpires: Hall and Camp.

Lincolnton Wins 10-9

The hapless Marion Marauders lost another ball game Saturday night to the Lincolnton Cardinals by a score of ten to nine. The game was played on the high school ground before a fair sized group of baseball fans.

The locals started the game with a bang as they scored every time at bat for the first five innings for a total of six runs, leading the visitors by five points. But the sixth inning told another story and skipper Johnny Lanning's boys watched their five run lead fade into thin air. At this point the Cardinals bunched five hits on Higgins Duncan—he had had allowed only one up to this point—for five runs to tie the score.

It was Lincolnton's game from the sixth frame on out with the exception of the last of the ninth when the Marauders came within an inch of putting the game into an extra inning or two. The tying run was on third when Yow came to bat, but he highfied to second for the final out and the game was over. Special hitting honors go to Long John Beam, first baseman for the Marauders. The first time up he homered with none aboard and on his next trip he slugged out a three-bagger. Later in the game he was credited with another three bagger to make it three for four. Ray Yow also homered his first time up and received a single on the third round to make it a two for four record. Fred Brooks and Jack Triplett also joined the hitting parade with two each, one of Triplett's going for three bases.

Conover Wins 6-3

The Marion Marauders made it five in a row in their loss column as they lost a hard game to the Newton Conover Twins in an affair staged in the new Twin baseball park in Newton Monday night.

It was a hard game to lose, only one error was charged against the Marauders, while big Lefty Reddick went the route giving up only eight hits; however, he got off to a bad start in the first inning when he walked one man, hit the next and allowed the Newton manager to come through with a two-bagger to start the scoring early for the evening. The twins took advantage of the situation to score three times in the first and added another run in the second which was sufficient to win the ball game.

The line score:
Marion 000 001 002—371
