**LUTHERAN YOUTHS WIN HONORS AT CONOVER**

Members of the Walther League of St. Matthew's Lutheran church took part and won honors in the Southern Pine District Walther League Talent Festival, held Saturday afternoon at St. John's Lutheran church in Conover. Tommy Shuford of Marion won second place honors in the Junior Walther League Bible Quiz.

Other Marion young people also participated in the talent show. Norma Jean Hall, Shirley Hensley, and Jacquelyn Hewitt sang "Drawn to the Cross." Bill Shuford exhibited pottery which he had made; and Gail Hilton showed the china doll which she made and dressed. In all these contests—there being no process of elimination—the decision of the judge is to be mailed to the pastors of the scores of churches in the Southern Pine District.

The talent of the Lutheran young people in Conover last Saturday was good and also varied. In the field of music, the vocal entries ranged from solo to sextette, and the instrumental entries included violin and piano duet. The art exhibits included pictures done in pencil, crayon, water color, and oil. The oral entries included dramatic readings, orations, and even pantomimes. Two of the Walther League societies presented one-act plays as their show of talent.

**Mrs. Austin To Demonstrate Electric Oven**

The even, controlled heat of the electric range even make quantity cooking, roasting, baking, and broiling a real joy to homemakers. Baking four pies at a time, four cakes at a time, large roasts and complete dinners, are among the more important things that can be done in one oven.

Quantity baking, more economical use of the electric range, time and labor that can be saved by such use, will be demonstrated in the Home Demonstration club room, in the courthouse, by Mrs. Lula P. Austin, Home Service advisor on Friday, May 27, at 2:00 p. m.

Mrs. Austin will use the new electric range and electric refrigerator in the new laboratory of Miss Jean Steele, Home Demonstration Agent. This is one of the best equipped Home Demonstration laboratories in the whole United States.

It has been through the unsurpassed co-operation of the county commissioners, the local merchants, and members of the organization, that they have been able to equip a model kitchen and a modern, Automatic laundry.

All women in Marion, as well as in the rural areas, will be able to see and use these adjoining laboratories.
