## Marauders Blast Two Home Runs And Defeat Lincolnton 13-6

The Marion Marauders moved up another notch in the baseball world by defeating the Lincolnton Cardinals thirteen to six in a game played on the high school athletic field Tuesday night. The game was a nip and tuck affair until the last of the seventh when Johnny Lanning's fighting crew staged a rally that brought in six run off seven hits.

Lincolnton used three chunkeys in an effort to curb the Marauders and were successful in tying the game in the seventh for a few brief minutes; however, in the bottom half of the same frame the local team ran wild to bring in six additional runs. Richards started the game for the visitors, gave way to Glover in the sixth, who in turn retired in favor of Harmon in the hot seventh.

Big Red Riddick was on the hill for the Marauders until the seventh, but took a walk when the Cards knotted the score, with Higgins Duncan doing the relief work. Duncan received credit for winning the game. Glover was charged with the defeat for Lincolnton.

The Marauders blasted out two home runs. Outfielder Tom Cumby sent the first one high over the left field fence with no ducks on the pond to count for a single run in the fifth. Art Billy line-driven another over the fence at the same spot, Marion's second homer of the evening. This time one mate was on base. Billie's circuit blow came in the fateful seventh when Glover and Harmon were being shelled all over the place. Beam pecked out a triple in the same inning which came within an ace of being a homer.

Art Billie, playing second base for Lanning almost had a perfect night at bat as he collected four hits out of five trips to the platter. The first four times up connected for safeties, but struck out his last time at bat. Bonnetti and Beam were close on his heels, each with three for five. Buss Hufstetler and catcher Duncan had the best night at bat for the Cardinals, each with three for five.

Lincolnton continued to fight hard until the very end. The picture began to darken a bit in the ninth as Duncan walked the first two men to face him, but he went to work in earnest and struck out the next three to end the game.

The line score:  
Lincolnton 000 201 300—6 10 5  
Marion . . . 010 410 61x—13 18 3  
Batteries: For Lincolnton—Richards, Glover (6) Harmon (7) to Duncan; for Marion—Riddick and Duncan (7) to Bonnetti. Doubles: Beam, Halkard and Bonnetti. Triples: Beam. Home runs, Billie and Cumby. Umpires: Hall, behind the plate; Camp on the bases.

**LEAGUE AVERAGES**  
At the present time the Marauders claim no firsts in the several departments of the league, but have been pushing themselves slowly forward until several of the players are knocking at the door.

According to the official release of Howe News Bureau the Marauders status is as follows:

## MARION HIGH TRACK TEAM WINS HONORS

Marion High School's newly created track team captured two fourth places at Chapel Hill last week. The Rippers qualified five men for the afternoon finals, but only one man Gilbert Packett, was able to capture points. Packett took four in the 220 yard dash and fourth in the discus throw.

In team scoring, Marion finished eight out of 25 schools entered, which included Durham, Charlotte Central and Harding, Raleigh, High Point, Wilmington and Asheville.

## Marion Sports Writer Graduates At U. N. C.

Jim Klutz, son of Rev. and Mrs. T. L. Klutz of Marion, will graduate from the University of North Carolina in June. He first entered the University in 1937, but there was a big gap in the 12 year span between the time he entered and his graduation. That was between September 1941 and September of 1946. During three years and two months of those four years he was in the Army.

In the fall of 1938 Jim wrote sports for the Alumni Review and also began free-lancing. While with the news bureau he had become known to many sports editors, and he decided to try to sell them a syndicated column. Soon his column was appearing three times a week in the Greensboro News, Winston-Salem Journal, Asheville Times, and Charlotte News.

In time he added to his list of clients American Lawn Tennis Magazine, Richmond Times Dispatch, Atlanta Constitution, and wrote special assignments for the Washington Times-Herald and other Eastern newspapers.

From childhood, Klutz never wanted to do anything but write sports.

When he entered the army he thought his sports-writing days had been interrupted for the duration. But he ended up in public relations, and as a scribe for the army has had plenty of opportunities to cover competitive sports and to write features on a succession of athletes.

He came out of the Army in November, 1944 and in December took a full-time job at the news bureau in Chapel Hill. He had no idea of reentering the University, but the more he thought about G. I. benefits the more he wanted to go to school again, and in late September, 1945 he became a G. I. student.

He became a candy seller, ticket taker for the Carolina theatre and picked up other odd jobs including baby sitting, athletic program selling, soda-jerking.

According to an article in the Chapel Hill Weekly, he hasn't yet lined up a regular job to begin, because, like almost everybody else in Chapel Hill, he's writing a novel.

## RED CROSS BLOOD PROGRAM UNDERWAY HERE

The American National Red Cross has inaugurated a project of collecting blood throughout the nation for the purpose of supplying blood to the hospitals in order that there may be an ample supply for all patients needing blood transfusions without cost to the patients.

The Red Cross has set up blood centers throughout the nation for the purpose of collecting blood to be used as outlined above, and each regional center will distribute blood to the hospitals in that area as the occasion may demand.

The American Red Cross has provided a number of bloodmobiles, which will make eight periodic visits to the counties in each area. Marion is located in the Asheville Regional Blood Center, and the mobile will make its first trip to Marion on June 8. Reverend M. O. Owens has been selected as the general chairman for this work. R. W. Twitty has been designated as procurement chairman for the county, and Mrs. J. E. Evans has been named voluntary service chairman.

The bloodmobile will come to Marion on June 8 and will be stationed in the East Marion village. Reverend C. C. Cross will be in charge of the procurement work for this locality, and he urges all public spirited citizens, who are in good health and physically fit, living in this community, to make a blood donation on this date. He expressed the hope that he would be able to provide through his donors a minimum of 75 pints of blood. If this goal is to be reached, it will be necessary for approximately 125 donors to be processed. Dr. George Rowe will be the local medical advisor for this work.

This movement of the Red Cross has the endorsement of the Marion Medical Society, the McDowell County Board of Health, and the Board of Trustees of the Marion General Hospital.

Mr. and Mrs. T. Wise Hall attended the commencement exercises at Lees McRae college Monday, and were accompanied home by their daughter, Mary Alice, for the summer vacation.
