**Marauders Defeat
Rutherfordton 12 To 9**

The Marion Marauders made it two in a row off the Rutherford County Owls Tuesday night as they defeated the Owls in the home park by the score of twelve to nine. In racking up the victory, the Marauders touched four visiting pitchers for fourteen hits.

The game was stacked with thrills from beginning to end but both teams played loose ball at times and bursts of greatness were spasmodic. The Owls started their ace moundsman, Left Haynes but he was forced to give way to McKinney in the fourth, who was soon followed by Kelly and Oats.

Jack Williams drew the starting assignment for the Marauders, but he was a bit wild as he had difficulty in finding the plate. He forced in one man by the free route as he walked three batters in a row in the third. Williams was relieved by Odell Griffin in the fourth who received credit for the win.

Lefty Odell Griffin has been with the Marauders less than a week and already has credit for a pair of wins. His first one came Monday night as his club defeated the Owls in Rutherfordton six to five. It was another relief job and big Phil Oats was the losing pitcher.

Two homers were made, one in the fifth and the other in the sixth. Each circuit clout accounted for two runs. Bobby Halkard has credit for the first and Art Billie claims the second.

Ezio Bonnetti led at bat for the Marauders with two for three. He was closely pushed by Art Billie who had two out of five trips to the plate. For the Owls Evans, Duncan and Lovett each had two.

The line score:
Owls ---- 203 200 002— 9 9 2
Marion --- 151 230 00x—12 14 3
Batteries: For the Owls—Haynes, McKinney (4) Kelly (5) Oats (7) to Duncan; for Marion—Williams and Griffin (4) to Bonnetti. Winning pitcher, Griffin; losing pitcher, Haynes. Doubles: Cumby and Bonnetti. Triples: Beam and Padgett. Home runs: Halkard and Billie. Umpires: Camp and Hall.

IN FASHION NOW

Cottons are really coming into their own this season. They can be worn for work or in the evening, there is such a variety to choose from.

The sleeveless bolero type dress is probably the most popular cotton dress on the market now. It can be worn for practically every occasion depending on the quality of the material.

Everything seems to have a back sweep these spring days. From hair do to skirts we notice emphasis put on the back interest.

Many of the new frocks have an extra skirt which is drawn backwards over a pencil slim skirt. We find fullness in the back rather than in the front.

Extra panels are used with good effect and scarfs and stoles float from shoulders or hats.

STRIKE TIME

The Bureau of Labor Statistics reports that working time lost because of labor disputes so far this year is less than half what it was during the same period in 1948. Working time lost was 6,850,000 men-days during the first four months of 1949, compared with 15,800,000 for the same period last year.
