

BACK TO SCHOOL WILL BE OBSERVED AT WEST MARION

Back To School Night will be observed at West Marion School Tuesday, November 15, at 7:30 p. m. On this night parents of children attending West Marion will take their children's place in the classroom.

All parents will assemble in the auditorium, where they will be guided to their respective classes by students of the 7th and 8th grades. Regular class schedule will be followed, including a chapel program and lunch period. In the class room each teacher will outline the work she is trying to accomplish in each subject. At the lunch period time, the parents will be directed to the lunch room for refreshments, which are being served by the members of the P. T. A. Parents will then return to their classes and the program will be concluded by an assembly in the auditorium.

As the success of the child's school life can only be accomplished by the cooperation of the parents and teachers, all parents are urged to attend the West Marion Back To School Night.
