

GREENLEE NAMED

(Continued from first page)
in Hickory. The local organization is under the third army and part of a nationwide reserve corps program.

All persons assigned to this battery receive a full day's pay for each meeting they attend. Meetings are held the first and third Thursdays of each month in the city hall.

Retirement points for each meeting attended count for retirement pay for any reservist who has put in 20 good years in the reserve and is past the age of 60.

Uniforms will be furnished to all enlisted personnel by the government, free of charge. Officers will have to purchase all uniforms through quartermaster sales of the U. S. army.

The next meeting will be held December 19. An invitation is extended to any interested persons, whether they have served in the armed forces or not, to attend the meeting and learn the purpose of the organization.

The checks for the first quarterly pay have already been received

in Marion.

Anyone interested in more information should notify Joe Stanley, Becker Sand and Gravel company, or Captain W. G. Greenlee, route 3, Marion.

EARLY STONE BUILDING

Indians in New Mexico were building with stone, successfully using clay mud for mortar, when the first white explorers arrived in that area more than 400 years ago.

NINE SHOPPING DAYS UNTIL CHRISTMAS.

We proudly announce that our employees have contributed an average of one day's pay to help build our County's New Hospital.
