Circulates in Montgomery, Moora, Rich mond, Cumberland, Robeson, Bladen and North Carolina boys carried off Columbus counties, N. C. and Madboro, this year at two of the most fa-Marion and Chesterfield counties, S. C.

SUBSCRIPTION RATES: One year, \$1.00.

Terms, cash in advance.

THURSDAY, JULY 4, 1893.

It was the President's purpose not to call the extra session before the middle of September, but retion has met with the hearty apthem opposed an early extra seshad in view the fact that the hot dog days of August will come in contact with their creature comfort. Senator Vance gave that as it has been in forty years. This is due to the extracrdinary large is due to the extracrdinary large perfect. In the early morning the crop that has been made in the side or chest use Shillow Porous Plaster sold by Dr J E croom.

These long, lazy days are just that the contraction of the side or chest use Shillow Porous Plaster sold by Dr J E croom. fort. Senator Vance gave that as near the country has approached a West. This is good news for warbling the entrancing strains of panic. The extra session was not the farmers of the South, as they their melodious matin madrigals; called a day too soon. The 20th of draw largely on the West for their and the daisies, lifting their pure, McCaskill Building, M-xion, N. C. July would have served bet breadstaffs, ter. The finances of the country are in a critical condition and prompt action is needed.

Doubtless the first question that will engage the attention of our Congressmen will be the re from the statute books and the the White House. people given an opportunity to ob serve the true inwardness of its workings. Then there is the high tariff and the fraudulent pension system that will need the attention of our wisest statesmen. A larger needed and demanded by the Dem near future.

eration in South Carolina. It took the leaf covered by a white silken delirious music as one sellow and liquors on Friday. It was a day sap causing the leaf to turn red thoughts had not risen above the of dram tumblers, demijohns and or brown in spots preducing what fruit I was busily gathering, but in jugs. In Charleston and all the is often called "rust." The leaf the midst of abundant blessings jugs. In Charleston and all the other cities and towns the "sassiety" people and all those not forbidden by conscience laid in a sufficient supply of "tulo" to last till presence is made known by the presence is made Christmas. So far one dozen dis- leaves. pensaries have been legally established in the State with more to satisfactory remedy is to send follow, Gov. Tillman declares that kets or bags and pick off all rusty he is going to enforce the new law leaves, carry them off with their pêople who live near the State upwards. Such anozzle attached the Tar Heel State produces a betworld away.

this district, says of the extra ses. Junction, Md., as cheap as any old home. sion of Congress. His opinion is one can make it.
