Forty Thousand Bales Lumber Bridge Man Starts Rabbit Farm

There were 40,044 bales of cotton, (counting round as half bales) ginned in Robeson County from crop of 1929 Rabbit Show of the Southeastern states held in Charlotte Jan. 22-24 There were over 400 different breeds of rabbits there from all over the United States. The show was reported a great success. It showed the increasing popularity of the de-mestic rabbit for both fur and mest. Dr. B. F. Kaup, the State poultry pathologist, of State College, was present and effered the aid of his department to the rabbit bree-less of the State of North Carolina. Jurge Fehr of Indianapolis officiated in the show room and reported as good a show room and reported as good a showing of rabbits as he had ever judged. On Thursday night a ban-quet was given in the Chamber of Commerce hall at which one hundred pounds of rabbit meat was served and enjoyed by all.

Mr. Balfour started maising Chinchilla rabbits last August and has sixty-eight now. He said he had some that compared favorably with some he saw. In fact, he regretted not carrying them to the show. Mr. Balfour is a wide- awake, thoroughgoing business man and we predict success for him with his rabbits.

Colleges of State May Share In Funds

Originator of \$1,000,000,000 Endowment Plan Visiting Certain North Carolina Colleges With View Of Rendering Aid.

High Point, Jan. 25.—Dr. Albert Norman Ward, president of West-minister college of Maryland, is this week visiting High Point college and his visit here may have particular significance for the future of the local institution.

Dr. Ward is the plan to raise a billion dollars for small colleges in this country. The plan, if carried through, would give the local college an endowment of

Plans for this gigantic movement were presented recently by Dr. Ward at the American Association of Colleges in Washington, and hailed as one of the most significant movements ever launched in America.

A committee headed by Dr. Ward, appointed by the association, to investigate means of putting the plan into effect, will make its report at a meeting scheduled to be held in Chimeeting scheduled to be neid in Chrcago in the spring. Dr. Nicholas Murray Butler, president of Columbia university, and ex-President Coolidge already have accepted invitacions to attend.

Colleges showing less than a two million dollar endowment and which can show a right to existence will oe given a share in the funds Officials are confident High Point college would qualify.

Dr. Ward points out that heretofore only the larger and more fa-mous institutions have been made the beneficiaries of large endow-

A. W. McLean To

Lumberton, January 27. — Former Governor Angus W. McLean announced today he would side with Doctor Roscoe McMillan Unanimous Senator F M. Simmons in the approaching race for senatorial nomination.

The former governor declared the decision to support Simmons made it necessary for him to "renounce my own afbition to represent North of the Democratic party"

The interest of the party, he said, "impel me to support Senator Simmons instead of his opponent, Mr.

Josiah W. Bailey, Raleigh torney, has announced that he will seek the Democratic nomination at

the June primary.

The statement was made to the editor of the Robesonian after Mc-Lean was told "there is still a good

It seems to me to be the duty of every Demo-crat in this hour to weight the present situation with the greetest deliberation and take such course in the impending contest as he conscientiously believes to be for the best interests of the Democratic party in the luture without regard to differences of opinion regarding the last.

Salem is the present district governor. Under the by-laws of Rotary a district governor cannot succeed himself. The district governor holds office for one year. Each club naturally puts forth its champion for the best interests of the Democratic party in the luture without regard to differences of opinion regarding the last.

The office of District Governor is ferences of opinion regarding the last campaign.

Roscoe D. McMillan of Red Springs, N. C., will be the name that the local Rotary Club will present to the 57th District of Rotary Inter-national Conference for District Governor. This became known today when announcements of Doctor Mc Millan's candidacy went out to the

other fifty-one clubs of the district.

Doctor McMillan is eminently fitted for the position of District. He is a past-president of the local club and one of the chief Rotarians of the State. He has taken an active part Lean was told "there is still a good deal of speculation as to whether you will support Senator Simmons or Mr. Bailey in the contest now pending."

The statement follows:

"I do not see why there should be "I do not see why there should be the discussions on important matters before the conferences. Many of the policies now carried out by in Rotary since the organization of

The office of District Governor is important one. The District an important one. The District Governor is responsible to the Rotary International for the proper function-ing of all the clubs in this district. There are fifty-two clubs in the 57th district which takes in practically district which takes in practically every club from Winston-Salem to the sea in North Carolina. It is the duty of the District Governor to visit each club at least once during his term of office.

The boosting of Doctor McMillan for the position of District Governor is the first attempt by the local club to gain special recognition for one of its members. In the selection of Doctor McMillan the Red Springs club has taken a long step in electing its man. Besides having a State R. Stolley Manufacturing Co pel me to support Senator Simmons this continuous flow system the instead of his opponent. Mr. Bailey. I have no criticism to make of any of fy friends who feel it their duty to the State.
