Robeson County Gives Simmons 2,208 Majority

A Second Primary To Determine Winner For The Lower House And Sheriff To Be Held July 5; McIntyre Challenges Six Townships and Asks Recount; Republican Vote Light; Butler In Lead.

Senator Simmons was given a majority of 2,208 votes over his two opponents, Josiah W. Bailey, of Raleigh, and Dr. Thomas L. Estep, of Alleghany county, in Saturday's primary. This was the biggest majority he received from any county in the State. The Simmons vote was 4,931; Bailey's 2,674; Estep's, 49. Voting in the county was very light on the Republican candidates for United States Senator, Tucker getting 40 votes; Butler, 15; Pritchard, 4; Dorsett, 2. For corporation commissioner, returns from 23 of the 28 precincts gave Pell 2,486 and Holloway, 1,822.

The total vote for each candidate voted on in the primary in Robeson county follows:

U. S. Senate.
United States senate—Simmons 4,931, Bailey 2,674, Estep 49, Tucker 40, Butler 15, Pritchard 4, Dorsett 2.

Corporation Commissioner.
Corporation commissioner — Pell 2,486, Holloway 1,822.

Judge and Solicitor.
Judge Superior court — Sinclair 4,066, Lutterloh 3,533; solicitor—McNeill 4,587, Carpenter 3,058.

Senate and House.
State Senator—Proctor 5,403, McNair 2,090.

House—White 4,153, Graham 3,364, Canady 2,525, Lynch 2,071, Floyd 1,147, McDaniel 765, Wilson 443.

Second Primary
A second primary for nomination of a candidate for the lower house will be held July 5, with Ernest Graham, of Red Springs, and John Canady, of St. Pauls, opposing each other. A second primary will also be held on this date to select the nominee for Sheriff, Ben G. Floyd and Pat Kornegay are the two highest and will run in the second primary.

County Officers.
Clerk of court—Skipper 3,872, McIntyre 3,009, Tolar 816.
Sheriff—Floyd 2,400, Kornegay 2,257, Evans 1,016, Smith 804, Lamb 614, Lawson 595, Lewis 222, Martin 129.

County commissioners: district No. 3—Hasty 486, Sellers 421; district No. 5—Hughes 935, Kinlaw 663.
There seems to be some doubt yet as to the final outcome for the clerk of the superior court. The early returns gave C. B. Skipper a majority by a good lead, but a check of the vote Monday reduced his lead to twenty votes over J. T. McIntyre. The county board of elections has ordered a recount in six townships in the county.

McNeill Easy Winner.
Mr. T. A. McNeill of Lumberton won the Democratic nomination to succeed himself as solicitor of the ninth judicial district in the primary Saturday by around 4,000 majority over his opponent, Mr. J. E. Carpenter of Maxton, according to unofficial estimate, with incomplete returns from some of the counties of the district.

Mr. McNeill is rounding out his first term as solicitor. He carried every county in the district by a substantial majority.

Judge Sinclair Wins
Judge N. A. Sinclair's majority over Mr. Herbert Lutterloh for the Democratic nomination for Judge of the Superior court in the ninth judicial district was around 1,500 votes, according to the best information obtainable.

Mr. Lutterloh conceded the nomination to his opponent Saturday night and phoned his congratulations to Judge Sinclair. Mr. Lutterloh conceded defeat with returns from Bladen county not in hand. It is thought that the Bladen vote was about 3 to 1 for Sinclair.

Clark Unopposed.
J. Bayard Clark received the Democratic nomination to succeed himself as representative in Congress from the Sixth District without opposition.

Mrs. Floyd Nominated
Mrs. Eva W. Floyd was not opposed for the Democratic nomination for register of deeds of Robeson county. She has conducted the affairs of the office efficiently for two elective terms' after filling out her late husband's unexpired term.

The vote in the Republican primary was very light, but from belated returns coming in, it appears that George E. Butler of Clinton, received a majority in the county.

Father of Mrs. Robeson Passes

Friends of Mrs. W. B. Robeson will learn with regret of the death of her father, Captain J. A. Farquhar, on last Wednesday, June 4. Captain Farquhar's death occurred at his home in Halifax, Nova Scotia, and came as a great shock to his family and friends.
Captain Farquhar had been in declining health and had been quite ill recently, but it was thought by his physician and his immediate family that he was considerably improved when on Wednesday his condition suddenly changed and was followed by death. He was 87 years old.

Funeral For Mrs. Flora Conoly Thurs.

The funeral of Mrs. Flora Conoly took place Thursday afternoon at the home of her son-in-law and daughter, Mr. and Mrs. J. A. Hodgin, at Antioch.
Mrs. Conoly resided in Red Springs for a number of years and went to make her home with Mr. and Mrs. Hodgin only a few months ago, after the death of Miss Cordie, her youngest daughter. Mrs. Conoly was a devoted member of the Presbyterian church but for several years she had been confined to her home.
A visit to her was indeed an inspiration and she will be greatly missed in this community. Friends and relatives from far and near came to pay their last respects to one that had lived a noble life.
She leaves the following children: Mrs. J. A. Hodgin, Mrs. Marshall McBryde, of Antioch, Mrs. Sexton of Raeford, Mrs. Culbreth of Georgia and Mr. Will Conoly of Waycross, Ga.
The services were conducted by Rev. G. W. Hanna of Antioch, Rev. J. B. Black of Red Springs and Rev. C. E. Hodgin of Greensboro. The interment was in Antioch cemetery.

Interest High In Golf Tournament

The golf tournament at the miniature golf course on the hotel grounds is attracting large crowds every afternoon and evening and a large number of players have qualified for one or another of the three classes in which prizes are being offered for low scores.

This tournament was heralded to start Monday morning but on account of the rainy weather the first part of the week none qualified until Tuesday. The golf enthusiasts are taking a greater interest in the tournament than was even expected by the management.

The plans and conditions of the tournament have been slightly changed since the original announcement was made in the Citizen last week. Instead of having only one class the players will be divided into three classes, those making a score between 40 and 50; those making between 50 and 60; and the third class those scoring between 60 and 70. This change was considered a more fair plan than the original one as it will give everybody a better chance at one of the prizes. Prizes of \$5.00, \$3.00 and \$2.00 are offered in each class.

HAS BIRTHDAY PARTY

Master Charles Leigh, Jr., gave a golf party to a number of his young friends Tuesday morning from 10:30 until 12:00 at the Woodland Miniature Golf course celebrating his eighth birthday.

Lovely hanketchiefs were awarded Bardin Thrower and Louise Gibson who held the lowest scores. A delicious ice course and mints were served.

Out-of-town guests included Anne Elizabeth Garner of Newport.

The host was assisted in entertaining his guests by Misses Mary Lane Brewer and Sadie Covington.

Special Services At The Baptist Church Here Next Sunday

To Burn Mortgage Recently Paid Up At Service Next Sunday Morning; Revival Great Success.

The Red Springs Baptist church will have a special service next Sunday morning. The object of the service is to express deep gratitude for the completion of a 334 weeks' task of paying out 43 shares in the local Building and Loan Association. When these shares were recently paid out, three mortgages against their property were surrendered to them. These cancelled mortgages, in the sum of \$4,100.00, will be burned in the presence of the congregation.
In these recent weeks the local Baptists have been enlarging and improving their church equipment. The question of the continuance of this work will also be up Sunday morning.

The recent revival held in the church is unanimously regarded as successful. Dr. Durham's preaching was very pleasing and effective. There were 31 additions to the membership. The ordinance of baptism will be administered to the new converts next Sunday night. Large congregations are expected at both services.

Frank Graham New University President

Chapel Hill, June 9.—Frank Graham, beloved by his fellow alumni, admired by his State, was today elected eleventh president of the University of North Carolina.

The election by the University trustees was the culmination of a state-wide "Draft-Graham" movement, the most vigorous opponent of which was Mr. Graham himself. His face deathly white the new president made his last protest after a committee had brought him before the board.

Was For Connor.
"I hardly know what to say," he began in a voice so low the trustees in the back could barely hear him. "I trust you will believe me when I say I want to remain a teacher. I want Mr. Connor to be president. Isn't there anything that can be done now to make him president and leave me free to go back to the class room?"

"I don't know of any process by which that can be done," answered Governor Gardner, presiding.
Drowned Out By Applause.
There was a moment of silence as Graham stared at the floor. Slowly he raised his head, "Well, with your help and with the help of God..." he began and slumped into a chair as the trustees, drowned him out with a storm of applause.

The election came on the fourth ballot when Graham had 47 votes and Dr. D. W. Connor, also of the University department of history, had 31.

On the first ballot, with other candidates receiving a few votes, Connor led with 26 to Graham's 20, but on the second the younger man pulled ahead with 30 to Connor's 27. Graham had 40 to Connor's 33 on the third ballot. Two less than a majority of those present and on the fourth he gained another seven votes.

Though a number of candidates got a scattering vote on the first and second ballots, there was never more than the two leaders that could be considered in the running. Dr. Archibald Henderson pulled 10 votes on the first ballot and still had four on the last. He was the third highest man straight through.

Immediately after Dr. Harry W. Chase, president of the University, resigned last winter to accept the presidency of the University of Illinois the trustees appointed a committee to examine the qualifications of prospective presidents. This committee was composed of A. H. Graham, Judge John J. Parker, Charles H. Whedbee, Leslie Weil and Stable Linn.

Reluctant to Accept
After the election a committee composed of ex-Governor Morrison, Judge Parker and Josephus Daniels were appointed to bring Mr. Graham before the trustees. "I can't do it," was the response they got from the newly elected president who has repeatedly insisted that he be not considered for the post, even going to Raleigh to protest to Governor Gardner when the first movement to elect him began. But by insisting that to accept was his duty the committee brought him to the hall where the meeting was in progress.

Outside he stopped again and begged that another ballot be taken and insisted that Connor was the man for the job. The committee told him this was impossible and one or two friends, who had heard the news urged him to go ahead. He did not give in, however, until he had made his final plea for Connor to the full board.

Dr. Graham is a second cousin of Mrs. D. P. McEachern, of Red Springs. He is well known here where he has frequently visited and has many friends in this section who rejoice at what they consider the good judgment of the Board of Trustees in selecting Dr. Graham.

Bailey Sweeps State By Unprecedented Majority

Raleigh Lawyer Carries State By Largest Majority In History; Simmons And His Machine Crushed; Carried Only Fourteen Counties.

REPUBLICAN PRIMARY.

George E. Butler, of Clinton, and Congressman Pritchard, of Asheville, in Second Primary.

Coming in with uncanny regularity were the reports Saturday night from precinct after precinct, county after county, rolling up an unprecedented majority in favor of the Hon. J. W. Bailey in his fight against Senator Simmons for nomination for United States Senator from North Carolina. The final outcome, which will be probably 75,000 majority, places the Raleigh attorney's name on the Democratic ticket in November by the largest majority in the history of the State. It is a majority unprecedented in this State and one undreamed of even by Mr. Bailey's most ardent supporters.

Goldsboro, June 9.—Col. John D. Langston of Goldsboro, state chairman of U. S. Senator F. M. Simmons' campaign advisory committee, tonight tendered "his loyal support in the general election" to Josiah W. Bailey of Raleigh, who defeated Senator Simmons for the democratic senatorial nomination in Saturday's primary.

Robeson Gains Over Twelve Thousand

According to figures quoted by the Robesonian from the report of W. C. Downing of Fayetteville, supervisor of the census for this district, the population of Robeson county has increased 12,004 during the period 1920-1930.

This is a gain of 21.95 per cent and places the population of the county at 66,578 as compared with 54,674 in 1920. All the towns and districts of the county show increases with the exception of Maxton, which lost 11 in population during this period.
