

Auctioneers To Meet Wake Forest At Armory Under Rotary Auspices

LUMBERTON — The Auctioneers will meet the Wake Forest varsity next week on Armory Field here. The college nine will appear against the new Lumberton Class D outfit on Friday, April 15, at 8 p. m. when the locals will attempt to avenge the double defeat suffered in Rockingham last week.

The game next week is sponsored by the Lumberton Rotary club and tickets are on sale members.

A Vance county farmer, S. B. Greenway, last year produced an outstanding yield of corn on his 11 acres yielding 89.1 bushels, an average of 89.1 bushels per acre. His production cost per bushel was estimated at 56 cents.

The State's barley crop increased from 9,000 acres in 1937 to 36,000 acres in 1942.

THE MAXTON KINDERGARTEN, story about which appears on page one of section two, has made an excellent record of service in the past two years. It is sponsored by the Maxton Junior Women's Club and directed by Mrs. J. B. Hord. At top left are Connie Daniel, Betty Bracey, Betty Kirkpatrick, Janice Hord, Sandra Gilbert, Alex McCallum, Jay Kirkpatrick, Diane Ford and Mrs. Hord. Top right pictures the same children are in the other pictures. Jane Hasty and Lucille Severson were absent.

Worry A Good Thing

Do the children on our streets worry you?

If they do, it's a good thing, according to S. L. Gaynor, assistant director of the Highway Safety Division of the Department of Motor Vehicles. He warns motorists to be on the lookout for youngsters as milder weather and lengthening days keep more and more children out of doors past school hours.

"Children playing in or near the street are caution signs for drivers," Gaynor said. "As the winter nip goes out of the air, every day there are more boys and girls on bicycles, on roller skates, coaster wagons, scooters and tricycles—in other words, more kids outside where they may get into the path of your car."

Springers Take Hope Mills 16-9

RED SPRINGS—Hope Mills fell before a 12 hit barge by Red Springs batsmen Monday and lost the opening game of the district Class B high school season here, 16 to 9.

Hutson got 2 for 2 and Beck 2 for 4, to lead the Springer team at bat, and no Hope Mills hitter got more than one safety but J. Deese, Miller catcher, pounded out a triple with the bases loaded in the 5th to bring the visitors back into the ball game when the score reached an 8 to 9 count. The Springers tallied another in their half of the 5th, and broke up the affair in the 6th with a five-run rally.

Artie Edwards went the route on the mound for Hite Springs, while Graham and Dees, W, were the visitors hurlers.

At Raeford
The Springers go to Raeford on Friday night and Edwards and Beck are expected to be the starting battery.

In their first game last Thursday the Springers outthit and outscored Laurinburg 8 to 3 in a seven inning affair at the Scotties Park. This was a non-conference game, but it showed Coach Van Hoy that his Springer club had weather the winter season in fine style, with promises for a good season this year.

The 1949 Tar Heel turkey crop is expected to be one-fourth larger than last year's.

Draft Board Is Seeking Registrants

LUMBERTON.—Robeson County Local Board No. 79, would like to locate these registrants who have become delinquent by not returning their questionnaires within the allotted ten day period. We are printing their last known address, and anyone knowing their present whereabouts please tell them to get in touch with the Local Board office located in the Rowland building on West 5th Street, Lumberton.
