#### Statement Said Issued To Offset Rumors Current In County

The board of commissioners of Robeson county have today issued a statement having to do with the use of county funds. The statement says that budgets of schools all school have been met and that all funds expended have been properly expended. The statement is signed by the individual members of the board and by one member of the board whose term expired in December 1946. One other member of the board before the present one was the late Will Graham.

An additional statement from the county auditor has been released. Both statements are printed The statement is issued, say board members because of mistaken impressions which seem to have gained some circulation in
