Base Ball.

The first ball game on the Pinehurst diamond this season took place last Tuesday afternoon, the contesting parties being the Southern Pines and Pinehurst nines. The attendance was small, owing to the fact that most of our villagers were at the session of court which was being held in the Casino reading room. The game was very interesting and close and the result was in doubt until the end of the last inning. The Southern Pines nine was the winner by the score of 6 to 5. It was a good game and fairly won, but our boys intend to make an effort to reverse the record at the first opportunity, and undoubtedly another game will soon be arranged to take place on the Southern Pines grounds.

The nines were made up as follows:

SOUTHERN PINES	PINEHURST
Stewart, 3b.	Poole, c.
Brown, 1f.	Atwood, 1b.
Wilber, ss.	Winchester, 2b.
Parker, 2b.	Hipkenson, 1f.
Hamlin, 1b.	Fowler, ss.
Grover, p.	McArdle, 3b.
Le Peer, c.	Edwards, rf.
Ferguson, rf.	Finnigan, cf.
Thomas, cf.	Baxter, p.

Umpire, Mr. Hayes of Southern Pines.

It is expected that a game will soon be arranged with the Carthage nine, to be played on the home diamond, and the grounds will no doubt be in good order by that time.

A Pleasing Entertainment.

One of the largest audiences that ever assembled in Pinehurst gathered at the Village Hall last Wednesday night to enjoy the evening recreation provided by our village entertainment committee. The program consisted of tableaux, Gibson pictures and a farcical drama in one act, interspersed between which were selections by the orchestra and instrumental solos.

The tableaux and Gibson pictures were well selected, and were carried out with careful attention to the little details. Many of the situations presented were humorous and all were true to life and received a generous measure of applause.

Where all the characters were so well taken it is hard to make comparison, but the hit of the evening was undoubtedly made by little Kenneth Bradbury, who appeared in several scenes and represented Cupid.

Miss Clark's violin solo was heartily encored, and the cornet solo of Mr. Poole was well received. The selections by the orchestra were up to their usual standard of excellence. The one-act drama which concluded the entertainment was a bright, humorous piece and the characters were well taken.

Our entertainment committee are to be congratulated on the success that attended their efforts to provide an evening's amusement, and Mrs. Noble, the chairman of the sub-committee who had the affair in charge, is entitled to especial credit. The entertainment was one of the finest that has ever been given in the village.

Sunday Evening Concert.

About two hundred people assembled in the music room of the Holly Inn last Sunday evening, and listened to the finest sacred concert given this season. The music by the orchestra was unusually fine and the piano solo by Mr. E. Frank Lindsey was rendered with exquisite taste and artistic touch. The event of the evening was the singing of "The Holy City" by Miss Eugenie Upham. Those among us who had previously heard Miss Upham in song could but note the wonderful improvement acquired during the past year. Her magnificent voice and dramatic action combined with her natural simplicity of style captivated the audience. "Consider the Lillies," which followed, was sung in the same impressive manner. We predict for Miss Upham a brilliant future.
