Hunters are also Numerous and List of Arrivals Large for the Holiday Season—Other Hotel News.

The past week was in a way the lull before the storm, as far as arrivals at the various hotels were concerned owing to the holiday season, but the coming week will mark the beginning of the great influx of winter visitors. The weather of the week was particularly delightful, and it would be hard to imagine a more perfect day than Tuesday. Christmas observances at the various hotels, were set aside owing to the trees at the Village Hall, but a very pleasant informal hop was a feature at the Holly Inn. Decorations of holly, mistletoe and greens were general throughout, and the Christmas dinner was made an important feature.
