## A PINEHURST DIRECTORY!

List of Village Guests who are Here for  
The Winter Season.

They Come from Many Portions of  
the Chilly North and all are  
Pinehurst Lovers.

Pinehurst's population has been multiplying very rapidly during the past few weeks, and a second and revised edition of The Pinehurst Directory seems advisable. In this list appear the names of all the guests of the hotels and cottages who are here for extended visits, as far as the Directory agents have been able to secure them.

The Directory will appear frequently during the winter and necessary additions or corrections are requested by the editor, in order that it may be made both complete and accurate.
