HALL WAS PACKED.

Villagers Crowd to see Old-Time Southern Cake Walk.

There may be truth in the statement that interest in the cake walk is waning generally speaking, among the colored people, but the attendance at the cake walk in the Village Hall, Monday evening, was conclusive proof that this is not true of Northerners. Long before the hour set for opening, the Hall was filled to overflowing and many stood during the entire performance. The evening as a whole was an interesting and satisfactory one. Keen interest was manifested and applause was liberally bestowed.

The program opened with a old-time quadrille, and was followed by buck and wing dancing. The cake walk then began, with "Professor" Atwater as the leader. The couples were evenly matched, and it was only after considerable deliberation that the judges were able to make the awards.

The judges were not selected with any especial regard to fitness, but rather because they were the only ones who would consent to serve. Their names may be secured from the couples who did not get the first prize.

GOLF TO-MORROW.

Open Tournament with Two Cups for Best Net Scores.

To-morrows golf fixture will be an open handicap tournament for The Holly Inn cup, offered for the best net score. There will also be a cup for the second best net score.

The tournament on the following Saturday is looked forward to with unusual interest, a handicap medal play tournament for the handsome Presbrey cup, open to men and women who have never played 18 consecutive holes in less than 100.

Entries for these stated fixtures should be made at the Club House as far in advance of the tournaments as possible.

POPULARITY ESTABLISHED.

Village Employees Dances Draw Big Crowds—Masquerade Planned.

The popularity of the Village employees dances at the Village Hall is now well established, for the gathering last Thursday evening, taxed the capacity of the hall, not only with dancers, but on-lookers as well. These affairs will be weekly features of the winter.

A masquerade dance has been planned for Thursday evening February 20, about which unusual interest centres. For this event a general invitation is extended.
