WHEN YOU'VE "GOT IT."

IN SUMMER.

"If you find yourself a-feelin'
That you'd like to pick a fight,
If you find you're not a' sleepin',
An' you hardly eat a bite,
If your head just keeps a throbbin',
At a mile-a-minute rate,
You have got it; quit your workin',
An' begin a diggin' bait."

—Pawtucket Gazette.

IN WINTER.

When the joyous fishin' season
Has a long time since passed by,
An' the Northern weather's freezin',
While the cold winds moan and sigh;
You should turn to golf and tennis—
Shootin' in a Southern land;
Take a train that's bound for PINEHURST
Where's there's sport on every hand.

—Editor.

THE PECULIAR atmospheric or solar phenomenon known as Bishop's Ring, is of very rare appearance. It was first observed in Honolulu by Rev. Sereno Bishop, a few days after the Krakatoa eruption of 1883, and it has been seen but few times since. M. Forel has reported noting it on the first three days of last August from a height of 6,500 feet, in the Alps. It appeared as a double ring around the sun, the inner portion being of bluish-silver color while the outer part was a band of copper, 20 degrees wide, shading off into the blue of space.

BRAIN DEVELOPMENT is found by Prof. Seggel, of Munich, to have two periods of acceleration: from 10 to 11 and from 17 to 18 in girls; and from 12 to 13 and 19 to 20 in boys. At the period of most rapid increase in height, from 12 to 14 years, the growth of the brain is less than one-hundredth that of the body; but at 17 to 19 it grows one-thirtieth as fast, and at 20 reaches one-seventh of the body growth.

FROM THE latest measurements by Curie, it is estimated that the energy of fifteen pounds of radium, fully utilized, would run a one-horse power engine many centuries.

AT THE MAGNOLIA.

House is Filling Rapidly with Guests Who Come for the Season.

The Magnolia is filling up very rapidly, and among the guests are many who come to remain throughout the season.

Mrs. S. M. Smith and Miss Lucille Slade Smith of Philadelphia, are here for the winter.

Mr. Francis G. Kingland-Smith and Miss Mary L. Kingsland-Smith, children and maids, of London, England, are here for an extended stay.

Miss Dora F. Kholfs of St. Paul, Minn., joins Mr. and Mrs. Gilfillen.

Miss Beulah M. Rhodes, Miss Catherine, and Miss Lucy V. Schonackeborg of Haddenfield, N. J., and Miss Josephine Ambler of Lansdowne, Pa., are among the late arrivals.

CHRISTMAS AT THE LENOX.

A Tree with Presents for Everybody and Then Social Pleasures.

Christmas was very pleasantly observed at the Lenox and Concord, Thursday evening with a tree for the guests of the houses named and the annex cottages, The Arlington and Hazelwood. Following the distribution of presents, in which all were remembered, refreshments were served and social pleasures filled in the time until a late hour.

Mr. and Mrs. O. W. Mead of West Acton, Mass., are here for a short stay, and their first visit to Pinehurst.

Miss Ethel Craig of Boston, is a late arrival.

MANY AND BEAUTIFUL.

Golf, Shooting and Tennis Trophies on Exhibition.

An exhibition of part of the sterling cups offered for the winter's series of golf, trap shooting and tennis tournaments, is now taking place in the Dutch Room of The Holly Inn and attracting much attention.

Combined the trophies make up the finest collection ever offered under similar circumstances, and the exhibition of them thus early, is sure to awaken additional interest in the events.

BOYS CLUB ELECTS.

Officers Chosen and Plans for Winters Work Discussed Monday

The Pinehurst Boys Club met Monday evening at the Craddock cottage, discussed plans for future work, elected officers and spent an enjoyable evening.

A minstrel show was talked of as a means for raising money for charitable work and met with much enthusiasm among those present.

These officers were chosen:

- President, Richie Lawrie, Pittsburg, Pa.; Vice-President, Kenneth Bradbury, Providence, R. I.; Secretary, George Hayes, Canandaigua, N. Y.; Treasurer, Karl Abbott, Bethlehem, N. H.

TEA FOR GOLFERS.

Tournament Participants Will be Guests Next Week Saturday.

The regular Saturday afternoon tea at the Golf Club House was the most enjoyable of the season thus far, and the attendance large. Mrs. A. I. Creamer of The Holly Inn poured, assisted by Mrs. F. H. Abbott of The Harvard.

Special plans are being made to make next weeks tea a very pleasant affair, as a pretty compliment to the visiting golfers. The Holly Inn orchestra will, as usual, be in attendance.

GOLFERS WILL DANCE.

Hops in Their Honor Planned for Wednesday and Saturday.

The management and guests of The Holly Inn extend a cordial invitation to the guests of the Village to participate in hops to be held at The Inn Wednesday and Saturday of the coming week in honor of the golfers who are here for the inauguration tournament.

THE COLORED CHURCH.

Guests of the Village are Invited to Attend Sunday Services.

Sunday services for the colored people are being held regularly in the Dickinson School house. These services consist of Sunday school each morning at ten and a Christian Endeavor service each afternoon at 3.30. Religious services are held the fourth Sunday in the month at eleven o'clock. A general invitation is extended to the guests of the Village to attend these services, and a visit is always one of interest and instruction.

The Dickinson School is reached by the road branching off at the right of The Carolina; an easy half hour walk over a good road.

Artistic Printing.

The folder advertising the Southern Railway Company's "Sunset Limited" is an exceedingly artistic bit of rapid printing. A fine color effect is secured on the several half-tones shown, by the use of only two colors.

Weekly Christening.

Arrangements have been made at the Poultry farm whereby it is possible to announce the appearance of a lot of chickens every Saturday for the present.

A general invitation is extended to the Villagers to participate in the christening.

Didn't Keep a Horse.

Grocer (to the bride who is doing her first shopping)—"We have nice horse-radish, just in. May I include some in your order?"

"No thank you" was the glib reply. "We don't keep a horse."
