# TRAVIS WINS GOLD MEDAL!

(Continued from First Page)

Travis started out on the morning round at a record-breaking gait making a thirty-four:

2 4 2 5 4 5 5 3 4.

He encountered trouble, however, coming home, making a forty-four, a total of seventy-eight. His afternoon round was a duplicate in total of the forenoon, thirty-seven out, and forty-one in.

The day was perfect, but a slight wind is in a measure accountable for the high scores, owing to the fact that putting was often difficult.

# EVENING OF ENJOYMENT.

(Continued from First page)

The success of the entertainment was largely due to the efforts of Miss Marie Ware Laughton of Boston who trained the participants and looked after the numerous details of arranging costumes, securing properties and the like. She was assisted by Miss Lillian Dodson of Baltimore who suggested the Japanese Wedding, and by Mr. and Mrs. F. Hellyer of Chicago, who have spent many years in Japan.

The event was arranged in less than thirty-six hours, but it was complete in every detail and the announcement preliminary to the entertainment, asking for the consideration on account of this was unnecessary, for rarely has a more enjoyable evening been spent here or a program carried out with greater excellence.
