JACKSON SPRINGS WATER

Cures indigestion, relieves rheumatism and the milder forms of kidney diseases. The spring is a freak of nature bubbling forth at the rate of a gallon a minute from the only large solid stone in the sand hill section. It should be seen. There is a first class hotel immediately at the spring kept by Mrs. Baxter, formerly of Pinehurst. For the bottled water and train schedules (ten miles from Pinehurst) see Mr. Berry at the depot.

WEEK BRINGS NEW FACES

Departures Make Room for Some of Those Who are Waiting to Come.

Guests at The Carolina are Making Much of Broad Sunlit Piazzas These Fine Spring Days.

THE CAROLINA is still crowded very close to its capacity, but departures are making room for some of those who are waiting to come, bringing many new faces.

The broad, sunlit piazzas are scenes of animation and here the guests sit fanned by balmy breezes, breathing the fragrant perfume of many blossoming flowers and listening to the notes of the mocking bird and other songsters.
