

The click proclaims the Kempshall the *New Kempshall*—the embodiment of all that is excellent in a modern golf ball.

Against the wind, and for putting, it has no equal.

We make Puralin Clubs in Drivers, Brassies, Spoons and Putters—all models.

The resiliency of Puralin gives a longer ball than any wooden club—waterproof and practically indestructible.

Both balls and clubs are obtainable from all golf professionals or direct from
