Pinehurst is, apparently, a "Yankee" Village, located among the long-leaf,  
health-giving pines, in the Thermal belt and the driest part of Moore County  
North Carolina; a section long noted for its healthfulness. It is seventy miles  
southwest of Raleigh, one hundred and twenty-five miles from the sea coast, and  
has an altitude of six hundred and fifty feet.

The Village was founded in 1895 by the late James W. Tufts of Boston, Mass.,  
and now consists of nearly fifty family cottages, four modern hotels, several  
boarding and apartment houses, a public cafe and numerous public buildings. The  
Village is beautifully laid out, and abounds in shrubs, perennials, sub-tropical and  
other plants.

The Carolina, completed in 1900, is the largest hotel in the State, and one of  
the best appointed in the South, an imposing four-story structure, accommodating  
four hundred guests, modern in every particular, and with appointments calculated  
to suit the most fastidious tastes. The Holly Inn is roomy, home-like, modern,  
and accommodates two hundred guests. The Berkshire and The Harvard are two  
modern hotels, accommodating one hundred guests each and equipped to furnish  
every comfort at a moderate price.

The Casino, designed for the use of the guests of the Village, is supplied with  
a ladies' parlor, game, reading and bath rooms, and daily papers and periodicals  
are kept on file. In connection is a Cafe, supplying excellent New England cook-  
ing at a moderate price. The boarding houses are The Lenox, Concord, Magnolia  
and Pine Grove. The Cedars and several other cottages, provide rooms only,  
singly and en suite.

The family cottages are cozy, substantially built, well-furnished and provided  
with modern conveniences, including electric lights, running spring water, and  
perfect sanitary drainage. Many are heated by steam and provided with bath.

The Pinehurst Golf Links are generally acknowledged by experts to be the  
finest in the South, embracing two distinct courses, one of eighteen holes and six  
thousand yards in length, another of nine holes, and a finely appointed and  
admirably located Club House. The fair green throughout the courses is excellent  
and the putting greens are perfection. Natural and artificial hazards are found in  
sufficiency to make the course an exceptionally attractive one. A well-known  
Scotch professional is in charge of the Links, and available for instruction.

A Shooting Preserve embracing 30,000 acres, nearly 50 square miles, is under  
control of the Village, and maintained expressly for the use of its guests. Kennels  
containing thoroughly trained blooded setters and pointers, are run in connection  
with the Preserve, and trustworthy guides are available. Trap shooting grounds,  
modern in equipment, are a feature of this department.

There are numerous croquet grounds and tennis courts scattered throughout  
the Village; a public Bowling Alley and Billiard Hall.

Dairy and Poultry Farms are maintained and which will eventually supply the  
entire Village with fresh milk and cream, poultry and eggs. A Market Garden  
provides fresh vegetables.

The Village has a Post and Telegraph Office, private Electric Railroad, Local  
and Long Distance Telephone System, Electric Light and Power Station, Village  
Hall, Circulating Library, Private School, Department Store, Meat Market, Steam  
Laundry, Bakery, Ice-Making Plant, Livery Stable, Photographic Studio, Resident  
Physicians, and Weekly Paper, THE PINEHURST OUTLOOK.

In fact, Pinehurst is admirably equipped to supply every modern need; offer-  
ing unequalled attractions for people of refinement at a varying range of prices.

CONSUMPTIVES CANNOT BE ADMITTED.

The Electric Railroad connects with the Seaboard Air Line at Southern Pines,  
Railroad connection is made from Pinehurst over the Aberdeen & Asheboro Rail-  
road with the Seaboard Air Line at Aberdeen, and the Southern Railway at High  
Point. Pinehurst is eighteen hours ride from New York, and through Pullmans  
run during the season from Washington direct to the Village, over both Railway  
Lines. For handsome booklets or detailed information, address:
