STATE CHAMPIONSHIP SHOOT

Pinehurst is Slated for Pistol Tourney of National Importance.

Event Will be Fifty Shots at Twenty Yard Target--March 20th to 25th Dates Selected.

IGNIFICANT as showing the attention which Target Pistol shooting here has attracted, is the announcement that Pinehurst has been selected for one of a series of State Championship Tournaments which will be held simultaneously through the country, under the auspices of the United States Revolver Association, from March 20th to 25th inclusive.

The event will be open to all and the

the National Association, the local club will also offer cups for the two highest gross scores not winning the Association medals, made during the tournament.

Provision will also be made in order that onlookers may witness the shooting during the tournament, and certain houses will be assigned for shooting each evening.

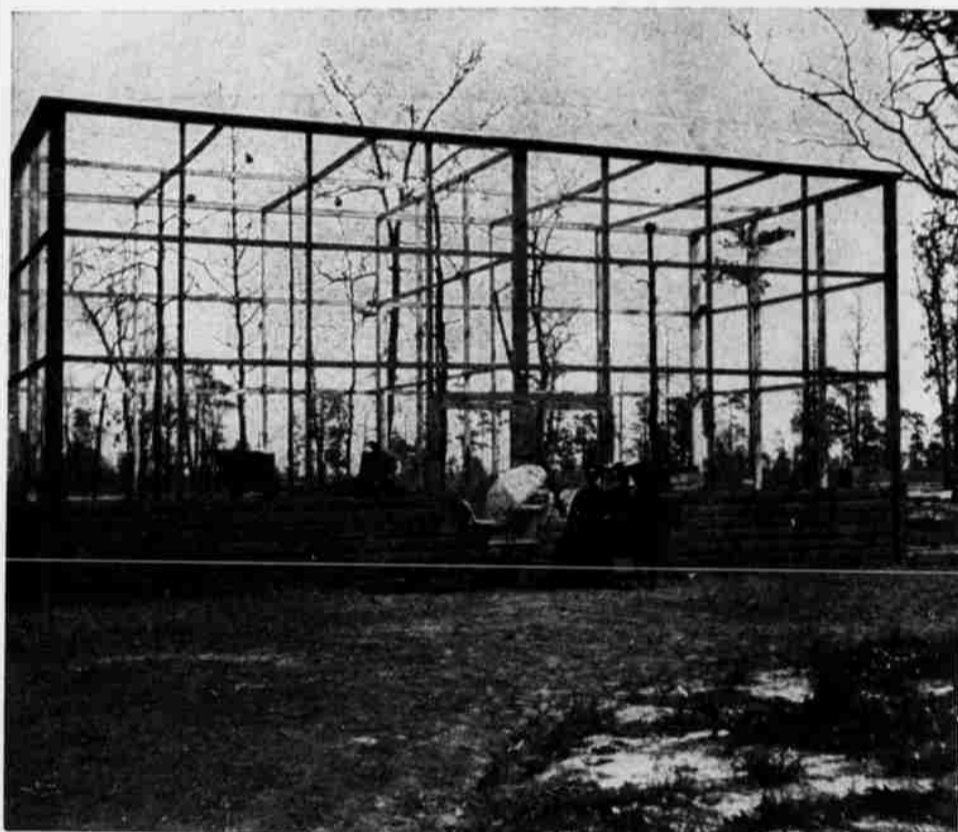

Considerable interest is being manifested and a good field of contestants is assured. The local club is to be congratulated upon the honor conferred by the National Association, for the tournament will be the means of adding interest to this already popular and fascinating sport.

MERRY PICNICKERS.

Rare Spring Days are Drawing Visitors to the Country Side.

Picnic parties are being much enjoyed these rare spring days, the participants either walking or riding to some nearby

WHERE THE CHILDREN CONGREGATE.

National Association will offer a silver medal for the winner, and a bronze medal for the next one in line, both significant of the State championship, and competitors may also compete for National honors.

The distance will be 20 yards, 50 shots (five shots each at 10 targets), and the event will be shot indoors under artificial light, this condition being imposed in order that conditions everywhere may be the same, and because many of the Northern clubs have no outdoor range at this season of the year. The work of establishing a temporary range at the Village Hall has already been begun and will be ready for preliminary practice by members soon.

Full details concerning the shoot, will be printed in next week's OUTLOOK. Entries for the event should be sent at once to Herbert L. Jillson, Secretary of the local club, who has been appointed by the National Association to assume direct charge of the shoot.

In addition to the trophies offered by

point. Thagards is a popular rendezvous and a merry party spent the day there during the week, taking dinner under the great pines. The company included Mrs. James W. Tufts, Mrs. Leonard Tufts, Mrs. Burnham, Mrs. North, Mrs. Fosdick, Mrs. A. E. Lard, Mrs. Herbert Jillson, and the Misses Burnham and Miss Hemp-hill.
