

## OUT-OF-DOOR FOLKS.

The question of healthful, strengthening food is an important one to those who engage freely in out-of-door sports and recreations, whether for health or pleasure.

Open air life calls for foods which embodies in the highest possible degree strengthening and vitalizing qualities.

### Shredded Whole Wheat Biscuit

precisely meets these requirements. It is composed of the whole wheat berry, which analysis shows to contain in concentrated form, every element entering into the composition of the human body. It builds bone, teeth, muscle and tissues, and supplies vim and energy.

It is a tempting food, as it may be prepared in hundreds of ways with milk, cream, eggs, fruit and vegetables—something new for every meal.

Always serve according to directions in "The Vital Question Cook Book," which we send free.

### Triscuit,

the whole wheat cracker, take the place of bread—it is healthier and better in every way. Try "Toasted Triscuit and Cheese."
