ANNUAL CHAMPIONSHIP TOURNEY

Detailed Program for This Important Event Complete.

Week of Brilliant-Tournament Golf Assured--Leading Amateurs Coming.

THE prospects for Pinehurst's big golf tourney, the Annual United North and South Amateur Championship, to be held here April 4 to 8, inclusive, were never more gratifying, and a week of brilliant tournament golf, in which many leading amateurs of the country will participate, is assured.

Pinehurst's prominence in the golfing world has become more than National in its character, largely through this event, and the annual midwinter tournament, and the constantly increasing importance of these annual events is a significant tribute to the excellence of the course, the generosity of the Club in the provision of trophies, and the attractiveness of the Village.

In addition to the Championship event the week's program will include a woman's championship, an eighteen hole medal play handicap, and an open championship event.

Entries for the amateur championship will close on Tuesday, April 4; for the medal play handicap on Thursday, April 6, and for the open championship on Friday, April 7. All entrants for the handicap must state their Club handicap or play from scratch. Entries for the women's championship close Monday, April 3.

In addition to the tournament there will be numerous entertainment features in the way of outdoor sports and social pleasures--trap and pistol shooting, tennis, dances, card parties and the like. Tea will be served each afternoon at the Golf Club House during the tournament, the combined Carolina and Holly Inn orchestras furnishing music, and arrangements will probably be made so that lunch may be secured each day by participants in the Championship event.

STATE CHAMPIONSHIP SHOOT

Temporary Indoor Range Established in Village Hall.

Event Will Occupy the Evenings of Coming Week--The Conditions.

EVERYTHING is in readiness for the State Championship Pistol Tournament which is to be held here from March 20th to 25th, inclusive, and keen interest is being manifested by members of the local Club.

The temporary range at the Village Hall is now ready for practice and many of the members have been taking advantage of the opportunity offered to familiarize themselves with shooting by artificial lights during the week past.

Detailed instructions for the tournament were received during the week and they call for 50 shots in strings of five shots each, at the standard American target at 20 yards. Any ammunition may be used and pistols must have at least a two pound trigger pull and a barrel not to exceed ten inches in length. The score must be completed within one hour after firing the first shot, and all shooting must be done in the presence of at least one witness and the Secretary of the local club, who has direct charge of the tournament, or a representative appointed by him.

Score cards will be issued in the order of entries and the number of these cards will insure precedence in the order of shooting over those who have higher numbers. All targets must be turned over to the Secretary of the local club, who will certify them and forward to the officers of the United States Revolver Association.

Two prizes will be offered by the National Association for the two highest scores, a silver and bronze medal, and competitors will also compete for national honors. The local club will also offer two cups for the third and fourth best scores made in the event.

Entries should be forwarded *at once* to Herbert L. Jillion, secretary of the local club, as the first tournament shooting will take place Monday evening next at the Village Hall from 8:30 to 10:30, and each evening thereafter at the same hours two contestants, if agreeable, shooting each evening.
