## OUT-OF-DOOR FOLKS.

The question of healthful, strengthening food is an im-  
portant one to those who engage freely in out-of-door sports  
and recreations, whether for health or pleasure.

Open air life calls for foods which embodies in the high-  
est possible degree strengthening and vitalizing qualities.

## Shredded Whole Wheat Biscuit

precisely meets these requirements. It is composed of the  
whole wheat berry, which analysis shows to contain in con-  
centrated form, every element entering into the composition  
of the human body. It builds bone, teeth, muscle and tissues,  
and supplies vim and energy.

It is a tempting food, as it may be prepared in hun-  
dreds of ways with milk, cream, eggs, fruit and vegetables—  
something new for every meal.

Always serve according to directions in "The Vital  
Question Cook Book," which we send free.

## Triscuit,

the whole wheat cracker, take the place of bread—it is health-  
ier and better in every way. Try "Toasted Triscuit and
