Pinehurst is, apparently, a "Yankee" Village, located among the long-leaf,
health-giving pines, in the Thermal belt and the dryest part of Moore County
North Carolina; a section long noted for its healthfulness. It is seventy miles
southwest of Raleigh, one hundred and twenty-five miles from the sea coast, and
has an altitude of six hundred and fifty feet.

The Village was founded in 1895 by the late James W. Tufts of Boston, Mass.,
and now consists of nearly fifty family cottages, four modern hotels, several
boarding and apartment houses, a public cafe and numerous public buildings. The
Village is beautifully laid out, and abounds in shrubs, perennials, sub-tropical and
other plants.

The Carolina, completed in 1900, is the largest hotel in the State, and one of
the best appointed in the South, an imposing four-story structure, accommodating
four hundred guests, modern in every particular, and with appointments calculated
to suit the most fastidious tastes. The Holly Inn is roomy, home-like, modern,
and accommodates two hundred guests. The Berkshire and The Harvard are two
modern hotels, accommodating one hundred guests each and equipped to furnish
every comfort at a moderate price.

The Casino, designed for the use of the guests of the Village, is supplied with
a ladies' parlor, game, reading and bath rooms, and daily papers and periodicals
are kept on file. In connection is a Cafe, supplying excellent New England cook-
ing at a moderate price. The boarding houses are The Lenox, Concord, Magnolia
and Pine Grove. The Cedars and several other cottages, provide rooms only,
singly and en suite.

The family cottages are cozy, substantially built, well-furnished and provided
with modern conveniences, including electric lights, running spring water, and
perfect sanitary drainage. Many are heated by steam and provided with bath.

The Pinehurst Golf Links are generally acknowledged by experts to be the
finest in the South, embracing two distinct courses, one of eighteen holes and six
thousand yards in length, another of nine holes, and a finely appointed and
admirably located Club House. The fair green throughout the courses is excellent
and the putting greens are perfection. Natural and artificial hazards are found in
sufficiency to make the course an exceptionally attractive one. A well-known
Scotch professional is in charge of the Links, and available for instruction.

A Shooting Preserve embracing 30,000 acres, nearly 50 square miles, is under
control of the Village, and maintained expressly for the use of its guests. Kennels
containing thoroughly trained blooded setters and pointers, are run in connection
with the Preserve, and trustworthy guides are available. Trap shooting grounds,
modern in equipment, are a feature of this department.

There are numerous croquet grounds and tennis courts scattered throughout
the Village; a public Bowling Alley and Billiard Hall.

Dairy and Poultry Farms are maintained and which will eventually supply the
entire Village with fresh milk and cream, poultry and eggs. A Market Garden
provides fresh vegetables.

The Village has a Post and Telegraph Office, private Electric Railroad, Local
and Long Distance Telephone System, Electric Light and Power Station, Village
Hall, Circulating Library, Private School, Department Store, Meat Market, Steam
Laundry, Bakery, Ice-Making Plant, Livery Stable, Photographic Studio, Resident
Physicians, and Weekly Paper, THE PINEHURST OUTLOOK.

In fact, Pinehurst is admirably equipped to supply every modern need; offer-
ing unequalled attractions for people of refinement at a varying range of prices.

CONSUMPTIVES CANNOT BE ADMITTED.

The Electric Railroad connects with the Seaboard Air Line at Southern Pines,
Railroad connection is made from Pinehurst over the Aberdeen & Asheboro Rail-
road with the Seaboard Air Line at Aberdeen, and the Southern Railway at High
Point. Pinehurst is eighteen hours ride from New York, and through Pullmans
run during the season from Washington direct to the Village, over both Railway
Lines. For handsome booklets or detailed information, address:
