trophies which have already been contributed.

Additional attention is to be given to the social side and plans for the annual reception and ball are already in the hands of a committee. The date set is Wednesday, March 21st.

No set plans have been made for the smokers and other informal gatherings of the members and their men friends, but these will be arranged from time to time as occasion arises.

Many of the members of the old board of governors will return, in fact many are already here, but the selection of a president is a matter which is receiving careful consideration.
