AT SOUTHERN RESORTS.

At Palm Beach.

Palm Beach, Florida, Jan. 3, 1906—
The season here is well begun, the formal
beginning taking place with the opening of
The Breakers, Dec. 23rd, many coming upon
the opening day to spend the holidays here.
Social pleasures are as yet of an informal
character and somewhat in the background,
but nature is in a charming mood and the
visitors are finding much pleasure in di-
versions out of doors.

Among the very first of the arrivals
were Mr. and Mrs. Charles B. Corey, of
Boston, who return. Probably no golfer
in the country is more widely known
than Mr. Corey, and he is a frequent vis-

Mr. and Mrs. Arthur H. Fenn will ar-
rive at Hotel Palm Beach Jan. 4th, the
opening day. Mr. Fenn and many of his
fellow golfers, make this hotel, which is
"only a drive and a putt" from the golf
links, their headquarters.

Mr. H. M. Flagler has just returned
from Key West where he and other of-
ficials of the F. E. C. R. R., have been
overlooking the progress on the exten-
sion of the railroad from Miami to Key
West. The work is progressing rapidly
but completion can hardly be expected
short of three years.

itor at Pinehurst. Other early arrivals
include Mr. and Mrs. Frederick Robert,
of Pelham, N. Y., Mr. and Mrs. Fred
Sterry, of Hot Springs, Va., Dr. J. M.
Munyon, of Philadelphia, Mr. J. B. Cur-
rie, of New York and Mr. George Leigh-
ton, of Chicago.

Mr. and Mrs. C. I. Cragin, of Philadel-
phia, whose beautiful gardens have been
visited by more tourists than any other
place in Florida, are here for the winter
and will be at home very shortly.

Mr. and Mrs. Feathers, of New York,
are at their bungalow for a short stay.
Mrs. Feathers who was Mrs. William
Allen, has always been a favorite in Palm
Beach social circles, and many will regret
to learn that she will spend several years
in Scotland where Mr. Feathers has a
home among the Scotch hills, and for
which they will leave soon.

Mr. and Mrs. Geo. B. Cluett, of Troy,
N. Y., are comfortably located in their
cottage on the Lakeside, and will be joined
by the Misses Cluett shortly.

Beach, is rapidly progressing and will be
ready for machines this week.

The large orchestra of The Breakers is
a delight to those fortunate enough to be
gathered on the hotel porch to enjoy a
cooling beverage after the usual dip in
the gulf stream each morning.

The Kirkwood Opens at Camden.

Camden, S. C. Jan. 5, 1906

The opening of the Kirkwood, Monday
was the important event of a busy week.
Social pleasures and sports out of doors
are contributing to the pleasure of the
large company of early guests gathered
here.

Professional Jolly Here.

Golf professional Jack Jolly is here for
a ten days or two weeks stay, and a pro-
fessional match will probably be ar-
ranged before his departure.

If you want to see dollars grow, feed
your fields with Virginia-Carolina Fer-
tilizers. They will "increase your
yields per acre," and thus bring down
the cost of production, even if you use
fewer teams and less labor.

We have thousands of strong testi-
monials from farmers who have tried
other makes of fertilizers and assert
that

Virginia-Carolina Fertilizers

are by far the best. They will give
you crops that will make more money
for you. Buy no other, even if some
dealer endeavors to get you to buy
some "cheap" brand just because he
may make a little more profit on that.
Of course, that would be to his interest
—not yours.
