GOOD BAGS OF QUAIL.

Sportsmen Enjoying Good Sport and
Conditions Excellent.

Good bags continue to be the rule
among the quail hunters, and hunting
conditions are excellent.

Among the most successful of the recent

Leonard Tufts, of Boston, returns
bringing Nell, a promising puppy which
he wishes to give some experience on

The most popular animals in the ex-

(the Methusalah of monkeys, who is
known to be more than twenty-four years

One Of The Results

of liberally using our fertiliz-
ers, is to pay off a mortgage
on the old farm. Read the fol-
lowing from Messrs. Wherry
& Son, owners of the Magnolia
Fruit Farm, Durant, Miss.:
"We made \$900 from one acre
strawberries, on which your
fertilizers were used. Eight
years ago we bought this place
at \$20 per acre. It was then
considered to have been worn
out twenty years before, but
by liberally using

Virginia-Carolina Fertilizers

under peas and velvet beans,
we can now grow almost any-
thing, and have been offered
\$250 per acre for the place. We
experimented with a great
many brands of fertilizers,
but find the highest per-cent.
cheaper." Now don't you think
Virginia-Carolina Fertilizers
would enable you to pay off a
mortgage if you had one?
Well, don't use any other.
