SNAP AND GO THROUGHOUT

(Concluded from page one.)

crossing the tape in precisely 57 seconds. Mrs. Tufts rode a beautiful race, but her horse did not take kindly to the dummy, and it was with difficulty that she could mount with the figure. This was accomplished, however, after several trials and with a flying mount which swung her far out into the field at the turn, Mrs. Tufts started homeward at a breakneck speed, crossing the line in 62 seconds. Mr. Speakman made 64.5 seconds and Mr. Greer 72.

The closing event was the popular scarf race, in which the participants rode in pairs to the top of the hill, turned and returned to the starting point, holding a scarf lightly between them. Mr. Greer and Mrs. Tufts rode a corking race, thundering across the line, neck and neck, in 44 seconds, flat. Mr. Todd and Miss Dutton were handicapped by the former's horse, which was a bit too slow for the fleet Cuba.

There were ribbon souvenir badges of blue, red and white for first, second and third in each event; Mr. Greer and Mr. Todd carrying off the honors of the afternoon.

The second contest will be held Friday afternoon, next, at 3:15, and many new features will be introduced.
