SIGNS OF EARLY SPRING.

Arbutus in Bloom and Phyxie Moss Coming Out.

Several sprays of arbutus in full bloom were found last Tuesday. The dainty flowering phyxie moss is also just coming out. The phyxie's date this year is about the same as last year, whereas the garden crocus bloomed fully three weeks earlier this year than last. A number of flowering shrubs are far ahead of their usual time, and everything points to an early spring.
