## LAST OF THE GYMKHANAS

Tuesdays Event Successful Ending of Enjoyable Series.

Childrens' Frolics Interspersed and Big Company of Onlookers Enjoy the Fun.

TUESDAY afternoon's gymkhana brought the season's program to a close most successfully, a novel afternoon's entertainment being provided which was enjoyed by a large company of onlookers. The events included old and new features, happily combining fun and excitement.

The first upon the program was the amusing doughnut race, which proved such a success on its first appearance some weeks ago. Mrs. W. H. Moses of Tilton, N. H., was easily the winner, completely outdistancing the field, which found no end of trouble in grasping the elusive prize. George L. Mooreman of Philadelphia, was second and Mr. Moses third, Mrs. Leonard Tufts of Boston, Master Reid Dreher of Cleveland, and Herbert L. Jillson of Worcester, being still occupied when "time" was called.

An egg and spoon race for the children was next in order, several heats being run off, and Masters Cook, Carroll and Tufts winning the ribbons in the finals.

The next event was a new feature, the clothespin race, teams captained by Mrs. Tufts and Mr. Mooreman transferring six clothespins down and back across the ring in relays, Mrs. Tufts team winning the ribbons easily.

A three legged race for the children was next in order, six couples participating, and Masters Lucius Cook and Leonard Bliss, Alex Smith and Granville Smith and Richard Tufts and Russell Jones finishing in order.

The two closing events were on the Dickinson School road at the west of The Carolina, the first being a mail pouch carrying contest in new form. Riders received the bag mounted, rode to the hillock, turned a stake and returned to the starting point, dismounting and handing the bag to the starter, the best time winning.

Mr. Moses did the trick very neatly in a trifle over forty-seven seconds, Mr. Jillson finishing second in fifty seconds flat, and Mrs. Tufts third in fifty-two seconds.

The closing event was the familiar scarf race, the contestants riding in pairs. Mr. Mooreman and Mrs. Tufts rode a pretty race, but lost time on the turn, and the ribbons went to Mr. Moses and Mr. Jillson, whose time was a trifle under forty-nine seconds.

Saddle picnics and informal events will keep the riders together during the remaining weeks of the season, and plans for next year's gymkhanas upon an even larger and more enjoyable scale than this, are already being made.
