

IN NEW FORM.

Pinehurst's Famous Golf Lad Again Greet Old Friends.

Pinehurst's famous color golf poster, "The Links are Open" lad, appears in new form this season, the youngster posing on the pond hole bridge in the act of fishing out a ball from the water.

Someone has evidently just spoken to the lad and he is looking up with the "expression that won't come off," an expression which baffles pen reproduction, and which causes all who look upon it to smile.

It is doubtful if anything of the kind has ever attracted a similar amount of attention, and this season's posters are varied in form, the most unique being a calendar containing in red ink, the dates of the various tournaments of the season's schedule.

MR. STIFEL'S BIRTHDAY.**Observance of it is Delightful Feature of Week at The Inn.**

A delightful feature of the week at The Inn was the observance of the birthday anniversary of Mr. Edward Stifel of Wheeling. At evening there was a merry private dinner for the family, and at ten o'clock a gathering in the Dutch Room at which nearly two score of friends were present.

Mr. and Mrs. Stifel are leaving for home during the coming week after a month here, much to the regret of many acquaintances both in the hotel and out, for they have been active figures in sports and social pleasures.

PISTOL BUTTS MOVED.**New Location Near Trap Grounds Admirable in Every Way.**

Work upon construction of target pistol butts in the close vicinity of the trap shooting grounds is well under way and the change will be appreciated by lovers of this sport. Not only is the location admirable in every way, but easily accessible by road, ride or drive.

Targets, ammunition and pistols will be in the hands of the trap shooting grounds attendant, a convenience which will be greatly appreciated and do away with the objectionable features of the former method.

SHOOT ANY TIME YOU LIKE.**Attendant at Trap Shooting Grounds Makes This Possible.**

Arrangements have been made whereby an attendant is located at the trap shooting grounds, daily from 9 A. M. until dusk, with the exception of the noon hour.

This will make it possible for trap shooters to shoot at any time they desire and without notifying the General Office. Ammunition and a gun, in case the latter is desired, will be found at the traps.

PLANNING FOR CHRISTMAS

Village Hall Trees Will Bring Holiday Joys Into Many Homes.**Santa Claus Coming, Music by Holly Inn Orchestra and Fun and Frolic for All.**

AN ACTIVE committee is making plans for the usual Christmas trees which will bring joy to the children of the Village. There will be two trees, one for the white children upon Tuesday evening, December twenty-fifth, and the other for the colored children, upon Wednesday evening, December twenty-sixth, the program opening in both cases at eight o'clock. Santa Claus promises to be personally in attendance both evenings, The Holly Inn orchestra will furnish music, and there will be fun and frolic for all.

The money necessary is being raised by a finance committee of which Mrs. Leonard Tufts is chairman, assisted by Mrs. H. W. Ormsbee, Mrs. T. J. Lyons, Mrs. John Bliss, F. W. Kenyon and E. R. Ellis, and with satisfactory results, over one hundred dollars being in the treasury early in the week. Other details are in the hands of various committees of which the following women are in charge: White tree, Mrs. W. C. Peet; colored tree, Miss Bruce; confectionery and fruit, Miss Fiske; trees and decorations, Mrs. G. Dan Morgan.

The aim of the committee will be to confine invitations to children who would not otherwise know the real joys of the day and, as usual, hearty co-operation is being extended by Village guests.
