NICHOLS AND JOLLY WIN.

Visiting Professionals Defeat Home Men in Foursomes Match.

A thirty-six hole four ball foursome match between Professionals Gilbert Nichols and Jack Jolly, and Donald and Alex. Ross, attracted the attention of a big crowd Tuesday, Nichols and Jolly winning by five up and four to play.

The visitors had the best of it during the day, starting the afternoon round with a lead of four up, which proved too great for the home professionals to overcome. Nichols was in splendid form, making approximate rounds of seventy-three and seventy-six, outdriving the trio during the entire day, and his cards would have been very close to the record mark but for unfamiliarity with the putting greens.

With the exception of the defeat by Jones at the time of the visit of the British professionals, both Ross boys have never been beaten on the local course, and as a pair they have been considered invincible. The victory, in consequence, came as a big surprise and, naturally, was somewhat of a disappointment to the many friends of the genial and popular local pros.

The purse was a goodly one, raised by subscription among the guests of the Village.

THREE BALL HANDICAP.

Tin Whistles Second is Novel and Entertaining.

The second event in the stated program of the Tin Whistles rounded out last week, a three ball handicap for a club cup and gold and silver medals, providing a novel contest. There were twenty-five starters and three days occupied in play, C. L. Becker (2), C. H. Rosenfeld (8), and Andrew I. Creamer (11), meeting in the final rounds and finishing in the order given with scores of 39, 38 and 31 points, respectively.

Six points were to be accounted for on each hole under the "three ball system" of scoring as explained in a recent issue of THE OUTLOOK.
