THE WEEK AT THE HOTELS

MIDSEASON is at its height, and the various hotels are filled very close to their capacity, with congenial people, who are finding pleasure indoors and out, and making the most of weather which makes all glad to be alive.

Of social pleasures and out door sports there have been many, Tuesday's gymkhana, the women's St. Valentine's tournament and trap and pistol tournaments being the leading features. Of events for weeks to come there are many, all anticipated with keen interest.

At The Carolina.

Interest of the week at The Carolina has centered about the cotillion booked for Friday, the evening of THE OUTLOOK'S appearance, and an active committee have spared no pains to make the occasion in line with the brilliant affair of the week preceding.
