**THE BALMY BREEZES OF
THE SUNNY SOUTH**

Are laden with Health and Happiness for the Worn-out Wrestler with the Strenuous Life.

But you cannot repair wasted tissue or restore strength to jangled nerves with air and sunshine alone.

The stomach calls for a food that supplies body-building material in its most digestible form. Such a food is

Shredded Whole Wheat.

It is made of the whole wheat, cleaned, cooked and drawn into fine porous shreds and baked. These delicate shreds contain all the nutritive elements of the whole wheat grain and are taken up and assimilated when the stomach rejects all other foods.

Shredded Wheat is made in two forms--**BISCUIT** and **TRISCUIT**. The **BISCUIT** is delicious for breakfast with hot or cold milk or cream, or for any meal in combination with fresh or preserved fruit. **TRISCUIT** is the Shredded Whole Wheat wafer, crisp, nourishing and appetizing. Delicious as a toast with beverages or with butter, cheese or marmalade. Both the **BISCUIT** and **TRISCUIT** should be thoroughly heated in the oven just before serving.

"There's Health and Strength in Every Shred"

Makes Eighty-two with a Putter.

One of the novel golf events of the week was a match between open champion Alexander Ross and Mr. Harry Avery of Detroit, the professional playing with a putter and the latter with a full bag of clubs; Mr. Ross winning by three up and two to play with a medal card of eighty-two. Just how anybody manages to push their totals up to the hundred and forty mark, quite a number are trying to figure out.

Guests at Dinner.

Mr. W. C. Milligan, Mrs. Milligan and Miss Milligan of Philadelphia, Mrs. Thompson and Mrs. Conway of Atlantic City, and Miss Nutting of New York, took dinner at The Carolina, Tuesday night; coming over from Southern Pines where they are spending the winter.
