

THE HOLLY INN

PINEHURST, N. C.

The Holly Inn is one of the most attractive hotels in the South. Since it was built in 1895, it has been necessary to enlarge it several times to meet the constantly increasing demand. The interior is elegant, cheerful and tasteful. No modern convenience is lacking. There are bath rooms, electric lights, steam heat and open fireplaces. There is a call bell in every room, and all beds are furnished with best hair mattresses. An orchestra furnishes fine concerts daily, and also provides for dancing. The cuisine is unsurpassed. The waitresses are all white girls from the North. Rooms for billiards and other games are provided in the hotel.

BRIDGE FOR WOMEN

Will be Held in Carolina Music Hall and Invitation Includes the Village.

The Week's Arrivals are Record Breaking and Many Guests Come to Remain Until Spring.

SPECIAL interest centers in the inauguration of a series of Monday morning bridge parties for women, to be held in The Carolina music hall from ten to one. The invitation is general, including all Pinehurst guests, both in the hotel and villa colony, and a wealth of attractive trophies will be provided in weekly prizes and for the highest total scores made during the season. Arrangements are in the hands of a committee of women and every effort will be made to have the gatherings not only enjoyable from the standpoint of play, but from the social side as well, resulting in the formation of many pleasant acquaintances.

The weeks hotel arrivals have been record breaking and the hotel is filling very rapidly, many coming for the season and among them old friends and new, forming a large and congenial company, which is mingling as one great family, finding pleasure in life indoors and out. Thus early singing birds and budding flowers indicate that Pinehurst's spring days are not far distant, and rare moonlight for which the "sand hill region" is far-famed, is turning night into day, the younger set making much of moonlight rides and bonfire suppers.
