## Remington AUTOLOADING RIFLE

Five one-ton shots! As quick as you can pull the trigger and as straight to the mark as you can look.

Meeting a "big 'un" with this gun is like shooting a hole in a barn from the inside—and if the first ball shouldn't stop him, he can't gain a yard before he gets it again.

Remington Autoloading Rifle—solid breech, hammerless—ejects, reloads and cocks by recoil without the loss of an ounce of muzzle energy. The only automatic rifle which locks the cartridges in the chamber. Safest and best of big guns.

Made in .25, .30-30, .32 and .35 Remington calibres. "The Gun for the game Game." Inspect it at any dealers.

"Game Laws for 1910" mailed free.
