

THE GREAT WINDFOWL GUN

Remington

AUTOLOADING SHOTGUN

The Great Duck and Goose Gun That Has No Rival for Bagging the Limit.

Remington Autoloading Shotgun—absorbs the recoil—easy on the shoulder. The recoil ejects the empty, throws a loaded shell in place, and cocks the gun, to the tune of five shots—three to stop the cripples. Your trigger finger does it all—never a lost motion at the time when quickness counts.
