

THE BEST AID TO A HIGH SCORE THE SMITH & WESSON

Single Shot Target Pistol

The S. & W. target pistol with automatic shell ejector, rebounding lock, and adjustable target sights, is the final triumph in the production of a thoroughly accurate target pistol. Its recommendation by the committee, and its wide use by experts are significant testimony to its high-score efficiency. The .22 long rifle cartridge gives the best results with this arm, but it is also bored for the regular S. & W. .32-10-88 and .35-16-146.

This monogram appears on all genuine Smith & Wesson.

ANNUAL MASQUERADE

SAVANNAH TO PINEHURST

Pathfinders Car Makes Journey and is Well Pleased With Roads

The pathfinders car of the Auto Club of Savannah, was an object of attention during the week, having made the trip, three hundred and eighty-seven miles in eighteen hours, running time.

Early in April the Club is planning an endurance run over the same route in which some twenty-five cars will participate.

The pathfinders were well pleased with the roads in spite of the terrible washings by the recent heavy rain.

"A REAL GOLF COURSE"

(Concluded from page five)

that moment a chorus of shouts arose in the distance: "Oh, you Fathead!" "Oh, you Snoozer!" "Hurry up and put your shirt on." Fogie and the links faded. Two powerful friends were shaking me in my berth and I awoke to the fact that we were nearly there.

"Well," I said to myself, as I groped for my shoes, "I'm glad that bad dream is over and I'm going to play on a Real Golf Course."

Catholic Services

Catholic services will be held in the Village Chapel each Sunday during the season at 6 A. M. If there is a visiting priest there will be a second service at 8 A. M.
