

THE BEST AID  
TO A HIGH SCORE  
THE SMITH & WESSON

Single Shot Target Pistol

The S. & W. target pistol with automatic shell ejector, rebounding lock, and adjustable target sights, is the final triumph in the production of a thoroughly accurate target pistol. Its recommendation by the committee, and its wide use by experts are significant testimony to its high-score efficiency. The .22 long rifle cartridge gives the best results with this arm, but it is also bored for the regular S. & W. .32-10-88 and .35-16-146.

This monogram appears on all genuine Smith & Wessons.

NORTHWARD-HO! BY AUTO

Western Tourists Stop Off En Route, to Enjoy Pinehurst

Mr. George C. Stone and party including Messrs. William Harrison, R. T. Goodell and E. P. Alexander, spent a portion of the week here, en route to the North from Florida, by automobile.

The journey from Augusta was made in twelve hours running time and Mr. Stone says could easily be accomplished in a day as they stopped over at not only Aiken but Columbia and Camden.

Mr. Stone is much pleased with the Capital Highway roads of the later portion of the journey referred to and predicts great popularity for winter touring.
