Play is under the Pinehurst system of class qualification and the equivalent of a dozen sixteens will be provided for in the trophy list.

The tenth annual United States North and South amateur golf championship which starts March 25 and continues through April 6, includes men's, women's, amateur-professional, and open events.

Weekly hundred-target Trap Shooting tournaments conclude with the award of medals for high all-season averages, and from March 18 to 23, the annual United States Revolver Association pistol championship is to be held for Association medals.
