## MANY COME TO ENJOY SPRING

### Old Friends are Much in Evidence Among Big List of Hotel Arrivals

Affairs Indoors and Out Claim Attention with Full Calendar for the Weeks Which Lie Before

NEVER has a larger company been gathered here to enjoy the delights of Spring, old friends much in evidence among the week's arrivals. Naturally interest has centered in the Spring Golf tournament, but other recreations also have claimed attention; tennis, shooting, baseball, drag hunting, riding and motoring all combining to keep visitors in the open air. Socially interest centered in a large bridge party at the home of Mrs. William L. Hurd, The Carolina dances, the first gymkhana, numerous dinners, picnic parties and other informal affairs. For the week to come living pictures and a native "fiddler's convention" are among the leading attractions. Immediately following is the annual Spring Cotillion which promises many delightful surprises in figures and favors.
