TREAT FOR MUSIC LOVERS

Charlotte Musical Association Announces Classic Program

The music lovers of the Carolinas will have the opportunity of hearing some of the world's most famous stars this season through the efforts of the Charlotte Musical Association, a contract having just been signed for three concerts at a cost of \$6,000.00.

They will present on December 31st, Ysaye, the great Belgian violinist, who is now receiving an ovation in the North, having only this month returned to America after an absence of several years. Appearing with him will be Mme. Olitzka, the Russian prima donna contralto, a member of the Metropolitan, Philadelphia and Chicago Opera Companies. She has a most extraordinary voice, big, rich and lovely, and has received European decorations.

On February 4th John McCormack, the Irish tenor, known in every home possessed of a Victor record, will be assisted by Miss Preston, lyric soprano.

On April 12th, Genee, the marvelous dancer, with her corps de ballet and symphony orchestra of forty pieces is announced.

In order to accommodate the large crowds which will want to attend these concerts, the big auditorium has been secured, with its seating capacity of 4,500. The Association thereby is able to sell season tickets for the three performances for \$5.00, and single admissions for \$2.50.

Coming Home With A FULL GAME BAG

Proves the Merit of

Sporting Powders

THE success of the hunting trip can be made more certain if the selection of powder loads is considered and decided when preparing for the anticipated excursion.

Don't experiment to learn which powder has dependability and puts velocity and penetration back of your shot.

Go to your dealer and buy shot shells containing Dupont or Ballistite loads. Then you have solved the powder question.

Ask for "Dupont" and "Ballistite" Booklets.—proper loads for various games, properties of each brand and useful information for shooters. Address Dept. 297.
