## B. WARREN CORKRAN FIRST

One Hundred and Fifty-four Wins Gold Medal in Spring Golf Tourney

William C. Fownes, Jr. is Second in 157, and Walter J. Travis Third in 158—Entrance is 226

B. W. Corkran was the gold medalist in Tuesday's second round of thirty-six hole qualification in the ninth annual Spring golf tournament with a card of one hundred fifty-four. William C. Fownes, Jr., former national champion, finished second in one hundred and fifty-seven, one stroke better than Walter J. Travis, who dropped into third place at one hundred and fifty-eight. ¶ The variation in scores due to combined play on both the No. 2 and No. 3 courses was most interesting, and while the bogey for both is eighty, the latter is one hundred and fifty yards longer. The average increase of scores in the first division figures No. 2 as two and one-half strokes harder than No. 3, but Corkran found it two strokes easier, Travis six strokes harder, Fownes five. So there you are! ¶ The cards are interesting:
