

# THE HOLLY INN

Season: January to May

The Holly Inn is one of the most comfortable, attractive and popular hotels in the South, accommodating with its annexes, 200 guests. The interior, which has been thoroughly renovated and refurnished since last season, is cheerful and homelike, no effort having been spared in putting the rooms and furnishings in first-class condition. There are a number of rooms connected with private baths which are let singly or en suite. The hotel is heated throughout by steam and there are open fires in the foyer and parlors. A large music room where daily concerts and dancing are enjoyed, together with the attractive Dutch room and the billiard room, provide appreciated social features. The excellent cuisine and service for which the hotel is noted, will be maintained and patrons will find the Holly Inn a most comfortable home from January to May.

## ROOM CLERK AND HIS RACK

### Midseason Crowds Present Difficult Problems for Quick Solution

Week of Many Activities Indoors and Out Concludes with Tonight's Spring Cotillion

THESE ARE the days when the hotel room clerk studies the rack as a broker watches the board, and while there is no doubt truth in the omnibus axiom "always room for one more," the particular "room" will not necessarily be located on the "sunny side of the house, with connecting bath." ¶ The usual departures, however, are providing for many and with the waiting list in effect and skillful manipulation, disappointments have been few which the coming week will largely eliminate. ¶ The week past has been one of many activities starting with the Tin Whistle dinner on Monday and concluding with tonight's Cotillion. ¶ In the list of arrivals old friends are numerous.
