At the expiration of thirty seconds the timekeeper will call "Time." If a shot is fired after time is called the shot highest in count will be deducted from the score. Misfires and shots lost on account of the arm becoming disabled or accidentally discharged will be scored zero.

The time of each string must be entered on the target and signed by the timer.

IN INTEREST OF GOOD ROADS

(Concluded from page nine)

named roads and at their cost we can all afford them without taxing ourselves out of reason.

In conclusion, I must say that while I am one of the most ardent believers in good roads, and have for the last five years given a large part of my time, together with quite a bit of money, and without remuneration, that until we wake up to a more conservative way of using our roads we should go slow in issuing bonds.
