A WORLD'S RECORD TARGET

Composite target, actual size, of 200 shots fired by G. W. Chesley in ten different matches in the Inter-Club Series of 1911-12. Score 1990 out of 2000—The World's Record. Made with Winchester .22 Long Rifle "Leamok" Cartridges and a Winchester Musket.

IF you go in for indoor target shooting with rifle or pistol, of course you want to excel. To do so you must use uniform, dependable ammunition. Some makes of cartridges are as variable as the weather. Some shots go high, some go low, and some don't go at all. For accuracy and all around satisfaction, you can bank on

WINCHESTER

Rifle and Pistol Cartridges

In all kinds of competition they continue to excel. They are made by people who have learned in making firearms many fine points about cartridges that could be learned in no other way. No matter what the make or style of your favorite arm is, you can bring out its possibilities to the fullest degree by using Winchester make of cartridges. Dealers everywhere sell them, and a trial will convince you that it is worth while to insist upon having
